

About Us

CareWell Health Medical Center is a world-class community hospital serving Essex County, a place where every patient is family. Formerly known as East Orange General Hospital, we are the sole independent, acute care hospital in Essex County – and deeply proud to be a cornerstone of care for nearly 120 years.

MISSION STATEMENT

To improve the health of the community by working collaboratively to provide high quality, efficient, safe and accessible health care services with the utmost respect and compassion.

VISION

To be your community Medical Center of first choice

A Message from Our CEO

Welcome to CareWell Health! This is a proud moment for our historic institution. CareWell Health Medical Center, formally known as East Orange General Hospital, is a true community hospital serving, a place where every patient is family.

Our new name and brand represent our commitment to transforming this vital community asset, signaling a fresh start for this organization. Generations of children, parents, friends and loved ones have turned to us for help, hope, and healing – and we look forward to continuing to serve for many more decades to come.
